## **BJAB FIRST AID EQUIPMENT/PROCEDURES**

### **1.0 Provision of First Aid kits**

#### **1.1 School provision**

The school is stocked with First Aid 'cases', 'kits' and 'bags' which are described in greater detail below. All first aid cases and boxes will be checked and restocked by the HSW Officer each term. If a staff member removes, breaks or depletes any First Aid materials, the HSW Officer should be notified so that the items can be replaced.

#### **1.2 First Aid cases**

The school provides a number of well stocked First Aid cases for internal use in key locations in both buildings (Appendix 1). Their location is indicated by a white cross on a green background. Contents comply with the recommendations detailed by the Belgian Red Cross and the UK Department of Education. These cases will include the following: documentation:

- Medichcek List
- Risk assessments
- Inventory of contents
- First Aid instructions
- Emergency services numbers

#### **1.3 First Aid boxes**

In addition, the school provides a number of smaller 'quick fix' red First Aid boxes for less serious injuries. These are also indicated by a white cross on a green background.

#### **1.4 Weekly trip to Sports Centre**

For visits to the Sports Centre on Wednesdays, the school office keeps bags containing the First Aid boxes, relevant documentation, emergency crystal cold packs, hand gels and a mobile phone. Class teachers going to the pool and gym complex, are responsible for taking and returning these bags to the school office immediately on arrival back at the school.

#### **1.5 Other off-sites**

For all other trips off-site, the Visit Leader should notify the H&S Officer in reasonable time to facilitate an appropriate level of First Aid provision.

All First Aid cases and boxes will be checked and re-stocked by the H&S Officer each term. If a staff member removes, breaks, or uses first aid materials the H&S Officer should be notified so that items can be replaced.

### **2.0 First Aiders**

All members of the teaching staff are to receive training in First Aid on a regular three year training cycle; this is to be provided as part of the school's INSET programme. A member of the Early Years Foundation Stage is required to have First Aid training which meets Early Childhood needs i.e. Paediatric First Aid (Belgian equivalent). A member of the Garderie staff is also required to have First Aid training. Nominated First Aiders will be assigned to both BSM and MH. Continual First Aid cover should be available to allow for staff absence. Names of these First Aiders for both buildings are displayed on the school's main notice boards and in the entrance hall.

<b>Nominated First Aider</b>	<b>Room Location</b>
Darquise Cloutier	BSM - Basement
Nicola Sanderson	BSM Office
Caroline Petherick	MH Kindergarten
Dolores Sullivan	MH – Sunshine Gym (lunchtime)

## **2.0 ACCIDENT PROCEDURES**

### **2.1 Minor accidents**

Minor accidents may be dealt within school by either, the First Aider or the class teacher as appropriate.

The injured person should have any wounds treated using the First Aid kits.

Medical gloves should be worn to prevent cross contamination.

Details of an incident are to be recorded on an Accident Form, signed by the Headteacher, and filed in the School Office (Appendix 2).

Class teachers should always be made aware of any incident involving a member of their class and a written record sent home to parents either in the Journal de Classe or by letter. It is always best practice to telephone parents immediately or to speak/reassure parents of procedures taken when they collect their child at the end of the school day.

Any spillage of bodily fluids is to be dealt with by the caretaker if possible. Materials are to be disposed of in plastic bags in the basement refuse bin. There are two Accident Cleaning Boxes (Sick Boxes) for this purpose stored in two locations:

- BSM Level 1 – cloakroom
- MH Sunshine Gym – cupboard in children's toilets

### **2.2 Serious accidents**

Serious accidents will be dealt with by a nominated First Aider who will assess the degree of injury and treat as appropriate. In broadest terms, this would include a person unconscious or disorientated (perhaps after a fall); bleeding profusely or in severe pain. If there is any doubt, it is wise to err on the side of caution in the interest of the patient and seek professional assistance. The emergency services are to be called without delay stating clearly the:

**Emergency Telephone:**

**European 112**

**Ambulance & Fire: 100**

**Poisons Centre: 070 245 245**

**Red Cross: 105**

- nature of the accident
- symptoms and degree of injury
- age of the victim
- precise location of the accident. If the accident has taken place on the premises, the name and full address of the school should be stated AND which entrance the ambulance should come to:
  - Boulevard St Michel 83, Etterbeek
  - Avenue Atrebatas 122, Etterbeek

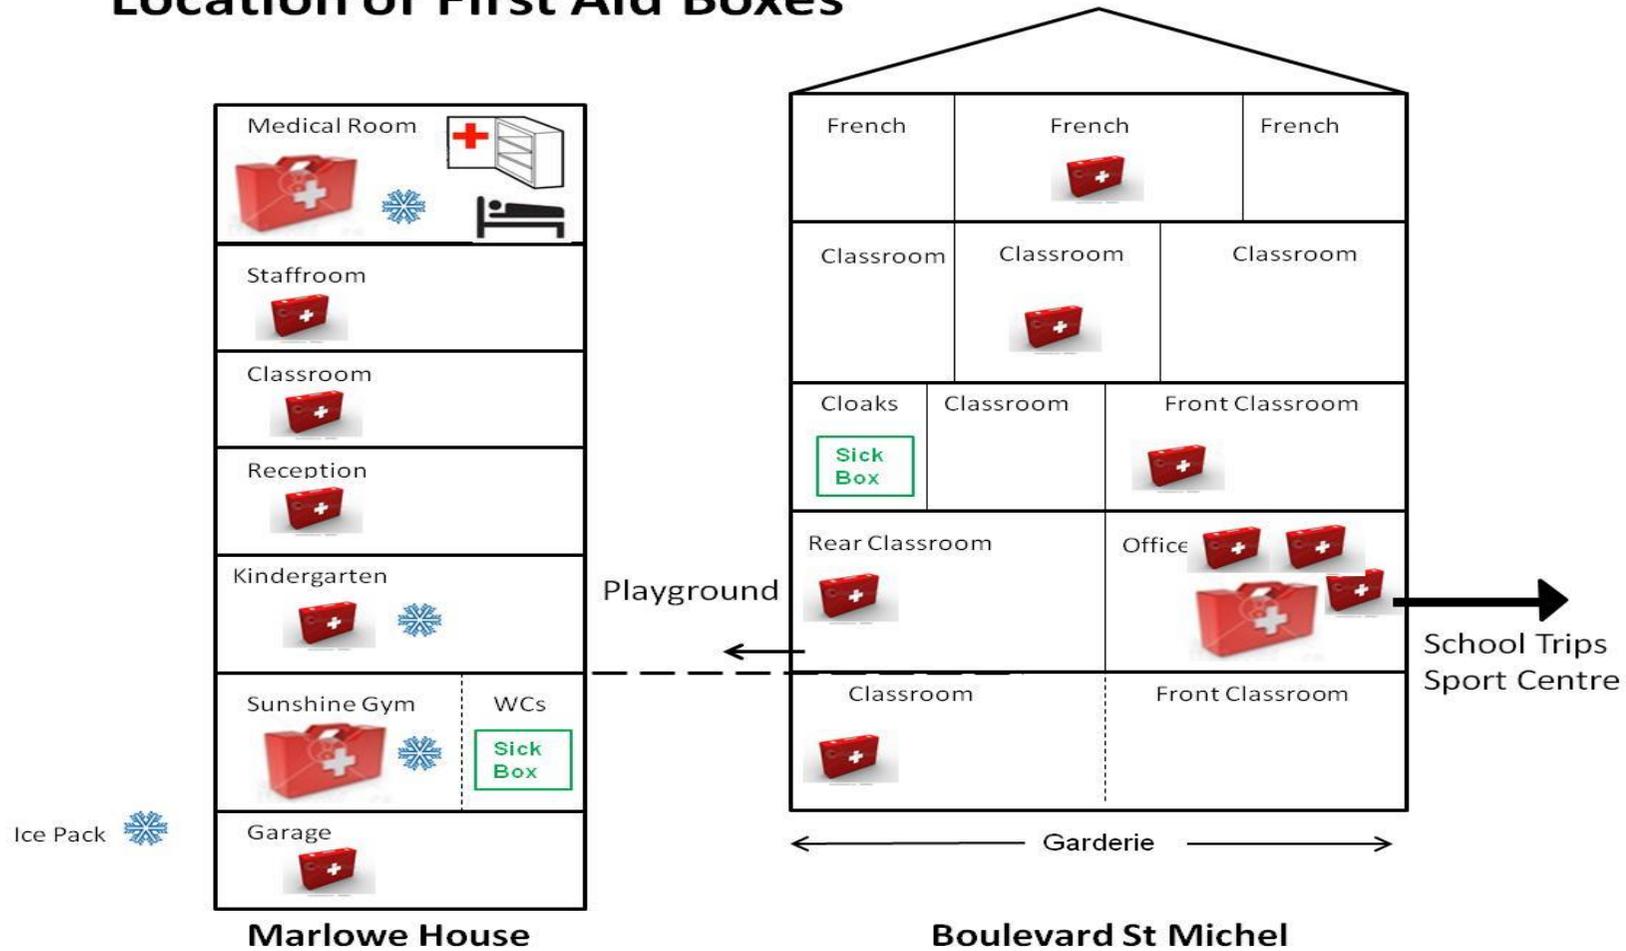

The school office should make emergency contact with parents or guardians as indicated on the pupil's application form/Parents Contact List. In the case of an adult, next of kin should be informed.

The Headteacher or a member of staff known to the child will accompany the patient in the ambulance, taking any available medical information with them.

An Accident Form should be completed by the member of staff who witnessed the accident. All records of the incident are to be recorded and filed in the school office by the Headteacher's PA.

The Office Administrator/Finance Officer should report serious injuries to the school's insurance company and Social Security/Mutuelle Associations as appropriate.
